

KNIGHTS OF COLUMBUS ST. JAMES AND ST. ANTHONY COUNCIL NUMBER 525
SCHOLARSHIP PROGRAM

The Knights of Columbus St. James and St. Anthony Council Number 525 has established a Scholarship program to support students who seek an education rooted in Catholic principals and traditions. This program will make monetary awards to graduating eighth grade students who have accepted enrollment in a Catholic High School, to assist with the cost of their education. The program is open to all eighth grade students of St. James Grammar School, St. James CCD religious education program, and St. Anthony's CCD religious education program.

The Scholarship Committee of the Council will be solely responsible for selecting students who will each receive a one-time monetary award toward High School expenses. Selection will be made based upon academic performance, as well as extra-curricular activities in the community and the Church. The Council will receive, review and evaluate applications submitted by interested students by the announced application deadline and select awardees from these applications. The amount and number of individual scholarship awards will be based upon the funding the Council has authorized, the quality of the applications, and may vary from year to year. The goal is to make at least one award from each of the educational programs listed above. No guarantee is made that the scholarship awards will be made each year, and the Council may suspend the program at any time.

Any questions can be emailed to scholarship@kofc525.org
